

Science Club wins 2021 Scooterball

Left to Right: Patrick Osborn, Jase Hamersley, Rylee Borrrego, Shawn Beach, Isaiah Griffin, Dave Dalge, Janko Drammeh

1st Place: Science Club
2nd Place: Western Ambassadors
3rd Place: Western Navigators

The next competition will be the Pentathlon set for October 21st.

If you have not found an organization to join and would like to get involved on campus, email Katelynn Thompson at events@wosc.edu! She will help you find the perfect club for you!

After a year without Scooterball, Western students were excited to have this fun competition back on campus! Scooterball similar to a game of volleyball, however students must scoot around, sitting on their bottom and play with a beachball. Each semester students organizations compete in two organizational competitions each semester. The first, second, and third place teams win money towards their organization.

Meet your 2021-2022 Student Senate leadership team!

The Student Senate is the central student organization with class officers and class representatives, called senators, elected at large from the student body by the respective freshman and sophomore classes. The Senate and its committees have the responsibility of establishing student government policies and recommending general student regulations, sponsoring and supervising the various student activities.

The Senate works with the Western's faculty and administration on matters of mutual interest as outlined in the Constitution of the Student Association and the Student Senate (Legislative Body). The Student Senate also coordinates and sanctions all student organizations on campus with the approval of the Vice President of Student Affairs.

ACCOUNTANT TOMORROW.**

WOSC.EDU/DEGREES

One of the most popular degrees at Western is the Associate in Science - Business Administration option. Ms. Amy Harmon, business education instructor, is a huge asset to the Pioneer family and continues adding new courses for students. Most recently, the Business Administration degree has created the availability for students to complete the degree fully online. Sophomore, Hunter Anderson, has experienced firsthand the benefits of starting at Western. The affordable tuition and small class sizes gives students the ability to get to know their instructors in a less stressful environment. Hunter is majoring in Business Administration. Once she completes her Associates Degree, she will transfer to complete

her education with the plans of one day becoming an accountant. Western is the perfect place to start your college journey. The Pioneer family helps make the steps to beginning your college journey seamless. With over 30 degrees to choose from, after completing their Associates Degree... our Pioneers are prepared to make a smooth transition to complete their goals for their future careers. A complete list of degree options can be found at wosc.edu/degrees To schedule a campus tour or to become a "Pioneer Today", email the recruiting office at recruiting@wosc.edu
