WOSC President's Partners Welcomes Micky and Georganna Lively

Western Oklahoma State College welcomes Micky and Georganna Lively as new President's Partners. Micky and Georganna are from Mangum, Oklahoma and have two daughters, Lauren and Madi. Micky became an Oklahoma Farm Bureau agent in 2016 and Georganna an esthetician in 2013 after both taught in the Mangum Public Schools for many years. Micky serving as Superintendent the last four of those years. They love their community and stay active by serving on various board and committees to help keep the town progressing.

Micky says of their decision to become President's Partners, "Because of our background in education we value the asset that Western is to southwest Oklahoma. We are very fortunate to have a quality educational facility within driving distance of Mangum which allows our community members an opportunity to further their education locally. Becoming a president's partner is a great avenue to allow us to provide the much-needed support Western deserves."

Dr. Wiginton, Western Oklahoma State College President, says of the Livelys, "I have worked with Micky Lively in some capacity for almost my entire career at Western. As a parent, teacher, coach, administrator and community member he has always been an amazing advocate for Western Oklahoma State College. Micky and Georganna's journey with Western began in the mid 90's as students and their confidence in the college extended to both of their children who were members of the President's Academic Leadership Team we refer to as Western Ambassadors. The Livelys are a wonderful family. We are grateful for their constant support but more importantly their friendship."

Western Oklahoma State College is thankful to the Livelys and all of the President's Partners for providing financial support above and beyond operational funding provided to the college by the Oklahoma Legislature. Micky added, "I encourage anybody that has the means, to support the President's Partners program. It truly is a way to make a direct impact on the future of southwest Oklahoma."

The Western Oklahoma State College Foundation provides the opportunity to invest in the future by offering many ways to give. The WOSC Foundation, Inc. is a 501(c) 3 organization and exists to generate support for the students and programs of Western Oklahoma State College.
