Mangum High School Students Visit Western Art Department

Mangum High School AP students visited Western Oklahoma State College on February 12.

During their visit, they had the opportunity to learn more about campus and, specifically, the art department. They had the chance to see art pieces Western students and faculty had created, and also learn more about the opportunities Western can provide.

They also took a campus tour during their visit.

To learn more about campus tours and visits, visit wosc.edu/visitingwosc.

Doug Dalton, Western faculty member, showed various art pieces to Mangum High School AP students during their visit on February 12.

Become a Western Ambassador

The Western Oklahoma State College student Ambassador program is currently accepting applications for the 2018-2019 school year.

The Ambassador program was established in 2001 and is under the official sponsorship of Western's President, Dr. Birdine. Their mission is to promote the college through a variety of speaking engagements and special events. Western Ambassadors personally benefit by gaining leadership and public speaking training and experiences.

Selected students will be awarded a 12 hour tuition waiver as well as a \$250 scholarship per semester, which can be used for any college expense: tuition, books, dorm, etc. Selected students will also

be provided with the official Western Ambassador polo shirt, Western t-shirt, and nametag.

The ideal Ambassador makes good grades, is involved in several organizations and/or extracurricular activities, is personable and outgoing, and takes pride in his/her appearance.

Special consideration will be given to students who live in Altus because

living near campus is ideal. It is the best way to stay involved with campus activities.

Applications for the program are due March 14 and can be found online at wosc.edu/ambassadors. For more information contact Maegan Martin at 580-477-7875 or maegan.martin@wosc.edu
