

We Are Western: Loclynn Lively

Loclynn Lively lives in Mangum, Oklahoma and is a freshman at Western Oklahoma State College.

"I chose to attend Western because of my friends that went here, and the people that worked here. Every single person is like a family member to me. That, paired with the opportunities Western provides, made it very easy to decide where to continue my education."

After graduation, Lively plans on attending nursing school.

When asked about Western's impact on her life, Lively said, "Going from Mangum to college, I was nervous, but choosing Western has definitely shown me that the instructors are there to help you, and help you succeed in life."

In February, Lively was crowned Miss Altus

2018, and will compete in Miss Oklahoma in June. "If I had chosen to attend school somewhere besides Western, I wouldn't have had the opportunity to compete in the Miss Altus competition. Being able to represent my hometown

while also representing my college is something I am extremely proud of."

Become a Western Ambassador

The Western Oklahoma State College student Ambassador program is currently accepting applications for the 2018-2019 school year.

The Ambassador program was established in 2001 and is under the official sponsorship of Western's President, Dr. Birdine. Their mission is to promote the college through a variety of speaking engagements and special events. Western Ambassadors personally benefit by gaining leadership and public speaking training and experiences.

Selected students will be awarded a 12 hour tuition waiver as well as a \$250 scholarship per semester, which can be used for any college expense: tuition, books, dorm, etc. Selected students will also

be provided with the official Western Ambassador polo shirt, Western t-shirt, and nametag.

The ideal Ambassador makes good grades, is involved in several organizations and/or extracurricular activities, is personable and outgoing, and takes pride in his/ her appearance.

Special consideration will be given to students who live in Altus because

living near campus is ideal. It is the best way to stay involved with campus activities.

Applications for the program are due March 14 and can be found online at wosc.edu/ambassadors. For more information contact Maegan Martin at 580-477-7875 or maegan.martin@wosc.edu
