

## We Are Western: Katie Brewer

Katie Brewer is a graduate from Duke, Oklahoma and has been a part of the Western Family for nine years. She currently serves as the Assistant Director of Admissions and Registrar.

"I chose Western because I have a passion for college students and I absolutely love education," Brewer said.

She went on to say how much she enjoys helping students reach their goals here at Western and beyond.

"The students are the reason I come to work every day. The beauty of my job is that I get to see the student grow from the time before they apply to Western all the way to graduation and their lives after."

Brewer credits her

coworkers for giving her the skills to be successful. "Western has shaped me by making me a better person and a better leader. The leadership here has helped me and made me who I am

today." For more stories and information about the We Are Western campaign, visit [wosc.edu/wearewestern](http://wosc.edu/wearewestern).

## Western Hosts Annual Taco Fiesta and Silent Auction

Lisa Chaney, CESSL committee member and Western faculty member, presented Deborah Wolff, Western Admissions and Records Specialist, with a check, thanks to money raised at the annual Taco Fiesta and Silent Auction.

The Western Community Engagement, Service and Service Learning committee hosted their annual Taco Fiesta and Silent Auction on April 3.

In 2013, Katie McAskill organized "Bids, Beans, and Bingo". The event was held on campus to raise funds for Lisa Chaney, who was undergoing breast cancer treatments. When Lisa Chaney took over as chair of the Community Engagement Service,

and Service Learning Committee, she was inspired to resurrect the idea of raising funds to help others on campus.

After a discussion with Lisa Greenlee, VP of Academic Affairs, the Annual Taco Fiesta and Silent Auction was established.

"I enjoy doing this event because I love to help others like I have been helped," Chaney said.

The past events have

benefitted Polly Walker, Kristy Greer, Melissa Hurst, and Carol Downs.

Thanks to campus-wide participation in the success of the Taco Fiesta and Silent Auction, this year's event raised \$1,235.00 to benefit Deborah Wolff, Admissions and Records Specialist, as she continues to receive treatments related to breast cancer.
