WOSC Alumni Association Membership Drive Underway!

The 2013 WOSC Alumni Association Membership Drive is underway! Joining the association this year as Lifetime Members, Bob Pearson, Carol Kendrix, Donald Frank, Bettychene Frank, Janice K. Shera, James Shera, Elizabeth Marcha, Daniel Ingram, Fred Baker, Charles Jeffries, Katie McAskill, Jake McAskill, Cindy Swearingen, R. Kim Hunter, Blake Jackson, Amber Jackson, April Nelson, Dale Latham, Kendall Hurst, Teresa Hurst, Melissa Hurst, Kent Hurst, Ruby Jane Bull, Judith Norton, John Gallagher, Judie Gallagher, Ross Smith, Tommy Abernathy and Kristy Abernathy have pledged their support through their contributions to the WOSC Alumni Association Endowment Fund. These recent additions have helped fill the first WOSC Alumni Association Lifetime Membership Recognition Tree. Additional trees will be added to hold the names of all future Lifetime Members. Also supporting the many projects of the Alumni Association through annual membership are new members Dawn Vachon, Derrill Killian, Randy McKee and Nonito Hernandez.

Membership as an annual or lifetime member earns the donor: a personalized membership card and certificate; discounted membership at the WOSC Wellness Center; a 10% discount on logo and spirit items in the WOSC student store; unlimited use of Western’s library, the Learning Resource Center; FREE admission to all Western athletic events; regular contact through newsletters, schedules and information about Western events and special invitations to “Alumni and Friends” only events. Members have already enjoyed a movie night at Heritage Park Theatre, a night of fellowship and bowling at Town and Country Lanes and the joy of reconnecting with classmates at the 2012 Western Homecoming activities. The most important benefit of membership is a demonstration of support of Western Oklahoma State College and the Alumni Association. The Alumni Association would not be able to support Western events and activities without the funding received from your membership dues.
