Bright Family Adding to Lifetime Tree

In keeping with the tradition of becoming Lifetime Members of the Western Oklahoma State College Alumni Association Karyl Gray, Gavin Sirmons and April Sirmons honor the memory of William M. Bright by adding his Lifetime Leaf to the growing alumni tree. William, the brother of Karly Gray and Father of April Sirmons, attended WOSC in 1970. The addition of this leaf makes a total of six for the family that ranges several generations with more to come.
