ASSOCIATE IN SCIENCE DEGREE
In Childhood Development
The Child Development program is designed for the student who plans to enter the field of early childhood education. The Certificate of Mastery in Child Development is recognized by the Oklahoma Department of Human Services for the Child Development Associate (CDA). After successful completion of the required curriculum, the student will be eligible to complete a resource file and have it evaluated by the Council for Professional Recognition through the CDA National Credentialing Program.

Students completing the Certificate of Mastery in Child Development are prepared for employment opportunities in child care centers, family child care homes, church-related and other similar child care programs.
