PART I

Point values for the Pre-Nursing Exam are taken from the % of questions you get correct. Ex.: 87% = 87 points. The Pre-Nursing Exam may be taken up to two times. The higher score in each area will be used. The applicant may choose to test in any number of areas on the second attempt.

Applicants will be tested in the following areas:
Math, English, Reading, Anatomy/Physiology and Biology
Each of the five areas are worth 100 points.
