COURSE DESCRIPTION
This course provides a one-semester to, and survey of, basic macroeconomic concepts and instructions. Included in the coverage are economic decision making tools in various economic systems, demand and supply, the basic goals, problems, and theoretical operations of the economy, money and banking, fiscal and monetary policies.

TEXTBOOK AND OTHER READINGS

EXAMINATION POLICY
There will be Three multiple choice examinations, each covering a specific amount of material and each worth 100 points. These will account for approximately 300 points of the student's total course points. NO RESETTING EXAMS! (Exam 1 covers chapters 1 – 5, exam 2 covers 6, 8, 9 and exam 3 covers 13 & 14)

Academic Dishonesty: Western strives to be a center of academic excellence. As part of our Statement of Ethics, the College strives to preserve academic honor and integrity by repudiating all forms of academic and intellectual dishonesty, including cheating, plagiarism and all other forms of academic dishonesty. Academic Dishonesty is unacceptable and is subject to a disciplinary response.

ADA Disability
If you have a disability, please let me know so that I may work cooperatively with you and the Counseling Office to provide reasonable and fair opportunities for you to be a productive and successful learner.

QUIZZES
During the semester quiz grades (10 quizzes) will be recorded for each chapter. These will consist of quizzes carrying a 10 point value. The quiz grades will constitute 100 points of the student's total semester grade. ALL QUizzes WILL BE COUNTED TOWARDS YOUR GRADE. DO NOT MISS ANY OF THESE. I WILL NOT RESET ANY QUIZZES!! YOU ARE ALLOWED ONLY ONE CHANCE.
ASSIGNMENTS
You are required to submit (by email) writing assignments. Each assignment will count for 10 points. Students are expected to demonstrate some original thought dealing with the subject. The internet is acceptable to obtain your subject information. I will grade these assignments based on how well the student has researched and explained the subject (without plagiarism) and how well the student has written the paper. Each assignment will consist of the following: 2 pages of written content, double-spaced, 1 inch margins and a works cited page. Please write your name on the paper. I will accept APA or MLA guidelines.

GRADING SCALE
Grading will consist of the exams, quizzes and writing assignments. I do not allow extra credit. Grades are calculated on the percentage method. If a student wishes to calculate his/her average, divide your earned total points by the possible points. The final semester grades are based upon the following grading scale:

90 -100%  = A  
80 - 89%  = B  
70 - 79%  = C  
60 - 69%  = D  
Below 60%  = F

WITHDRAWAL:
It is the student's responsibility to withdraw from a class. WOSC has a written withdrawal policy in the college catalog. If you are considering withdrawing from a class, go to the Admissions and Records office.

BEST WISHES ON YOUR ACADEMIC ENDEAVORS!
