White and Massey selected for 2021 All-Oklahoma/All-USA Academic Team

Altus, OK. – Jared White and Jessica Massey were recently selected as members of the 2021 All-Oklahoma/All-USA Academic Team based upon their excellence in scholarship, leadership, and service.

Jared White is a sophomore from Hobart, Oklahoma majoring in Biology. He is the son of Corey White and Shelby Reimer and plans to transfer to Oklahoma State University after graduation.

Jessica Massey is a sophomore from Altus, Oklahoma Majoring in Biology. She is the daughter of Christopher and Jennifer Massey and plans to transfer to Southwestern Oklahoma State University after graduation.

 "We are extremely proud of Jared and Jessica and their academic excellence while at Western. These outstanding individuals have exemplified the Pioneer spirit and we are grateful they began their collegiate journey with us" –Dr. Chad Wiginton, Western Oklahoma State College president.

 The All-USA program is sponsored by the Phi Theta Kappa National Honor Society and is widely recognized as the most prestigious academic honor for students seeking an associate degree or credential. Students were selected for their intellectual rigor, academic achievement, leadership, and civic growth, and for extending their educational experiences to better themselves, their schools, and their surrounding communities. More than 2,000 students were nominated, by their colleges, for the scholarship program.

Western Oklahoma State College is the oldest original municipal two-year college still in existence in the state of Oklahoma. Its mission is to provide high quality education, support student success, and empower individuals to become productive members of local, regional and global communities. Western offers high-quality associate degrees and certificates to its five-county service area and beyond. For more information, visit wosc.edu.
