Western Shooting Sports Team is Off to a Great Start

Altus, OK - The Western Oklahoma State College Shooting Sport Team competed in their first shoot, virtually and started the season off to a great start! This will be the second year to have shooting sports on campus and we are so excited to see what all they accomplish!

The team competed in the ACUI Summer Series Virtual Shoot. The members competing were able to shoot at their local range over a couple of days to gather the scores to enter into the competition. Once everyone had shot, which was a total of 100 shots per event, the scores were sent to ACUI. The team shot 100 Trap, 100 Double Trap, 100 Skeet, and 100 Double Skeet. That was a lot of shooting over a short couple of days, but the results definitely were definitely worth it!

Seven of Western's males placed in the top 15, with 5 placing in the top 10! Hunter Pence was the big winner of the event! He placed 1st high overall male, winning \$3,000 for the team's MidwayUSA Foundation account. Western's one and only female, Ally Angelly, placed 2nd place in overall female.

Also, among the top high overall males scores on our team are, Cole Wagner 4th place, Baylor Downing- 6th place, Gavin Sirmons- 7th place, Jaden Lingle- 8th place, Koby Bates- 11th place, and Darren Lucas- 15th place.

We are excited to watch them compete this season! If you want more information about the shooting sports team contact Jerimy Pence at [jerimypence@yahoo.com](mailto:jerimypence@yahoo.com) or 580.512.1625.
