## Phi Theta Kappa Earns REACH reward

### PHI THETA KAPPA HONOR SOCIETY

Western's very own Phi Theta Kappa chapter, Alpha Theta Mu, was recently one of the 1,081 chapters named as a 2021 REACH Reward Chapter! These chapters earned free graduation stoles for their chapters by maintaining or increasing their membership acceptance rate to 15 percent or higher during the 2020 calendar year. These stoles can be distributed to chapter officers or members to be worn during graduation and to keep in celebration of their college completion milestone.

Phi Theta Kappa's REACH Rewards program recognizes and rewards Phi Theta Kappa chapters that excel in membership development. They created the program because they believe strongly in the mission of

Phi Theta Kappa and want as many students as possible to receive the benefits of member- including scholarships and increased opportunities for engagement with peers and faculty on campus, which lead to higher rates of completion.

Students are encouraged to check their Western emails for an invitation to join PTK! The qualifications to become a member include: Completed 12 hours at Western, GPA of 3.5 or higher, enrolled currently in 6 hours, good standing in class, works well with faculty, staff, and students, and good attendance!
